

# Welcome to Summer Camp 2015!

We are very excited that you will be spending the summer with us! There are tons of fun activities, games and projects planned for you.

There are a few things that you need to know about the summer. Please read them carefully with your parents.

1. Field trips are subject to change (weather and unforeseen circumstances), but we will do everything in our power to "stick to the schedule".
2. On wet days please wear your bathing suit under your clothes. Don't forget to bring underwear to change in to and water shoes to wear on the playground.
3. Tennis shoes are required! You will be participating in several physical activities every day. Wearing sandals when running, jumping, climbing, skipping, etc. can result in injury. Also, please do not bring tennis shoes to change in to-it slows everyone else down when waiting for shoes to be changed. Be sure to wear socks with your tennis shoes-they will keep your feet from getting stinky and will be a necessity when we go bowling or to the gym.
4. **We need to know if you will be coming no later than 9:00!** The bus seats 14 children (19 children are enrolled). We need to know each day whether or not we will be making 2 trips with the bus (it takes extra staff to do this). If you arrive after 9:00, and no one has called to let us know you will be coming, there may not be room for you to go on the field trip.
5. **Field trips are a PRIVILEGE. Disrespectful or unsafe behavior will not be tolerated. This behavior can result in the loss of 1 or more field trips.**
6. The cost for attending field trips is \$30.00 per month and will be added to your regular fees. Please also remember that CCR&R does not cover this fee.

## What you need to Bring to Stepping Stones

1. If you would like to bring a water bottle, you may do so. However, only PLAIN water will be allowed. Sports drinks, flavored water, soda, juice, tea, etc. will be sent home or poured out-NO EXCEPTIONS!
  2. The best way to exercise your brain over the summer is to read. We have several books for you to use here, but you are welcome to bring one from home. Please note that there will be a quiet reading time every day.
  3. Please see the calendar for "Bring a Game from Home" days. These should not be any kind of video or electronic hand held game.
  4. Show-N-Tell days should coincide with the theme for the summer, Endangered Animals.
  5. Permission and emergency forms must be turned in order to participate in field trips.
- 

I have read all of the information concerning the summer camp program at Stepping Stones and will abide by all of the rules.
