## School-Age

### Class Dojo

Don't forget to download the class dojo app to receive notifications about your child's day.

We have earned over 300 points so far!

### Valentine's Day

We will not be having a big Valentines party since the children will have them at school. However, children are welcome to bring Valentine's cards for the class if they choose. We will also have a special snack.

### Learning Focus & Information

We will be making inventions for National Inventor's Day

Later this month we will do activities dealing with the body.

As we are having abnormal weather outside, please remember that we take the children outside if the temperature is between 25 and 90 and if it is below 70 they are required to wear a jacket, even if they don't have to at school.
